The Emergency Notification Program was established as an avenue for the Village of Fairfax to transmit critical and community information to the resident's and businesses of Fairfax.

Resident's or Business Owners wishing to participate should fill in what number/s they wish to be notified for an alert and at what level they want the alert to be. Place an X in the appropriate column.

Red: Critical/Emergencies      Orange: Crime Notifications, Fire Dept Info, Other Important Information  
Yellow: Community Information and Events, less critical information
