FROM THE MAINTENANCE
DEPARTMENT

NEW POLICY FOR LARGE LOAD BRUSH PICK-UP: Fairfax must make a change in our program where residents can request a truck be dropped off at their home so that larger amounts of brush can be loaded by the resident and then hauled away by the Maintenance Department. A fee of \$15 will now be charged to remove a truckload of brush, due to that cost now being charged to the Village. A resident must come to the municipal building and make payment ahead of time. Once payment is made, a resident may contact the Village Maintenance Department at 527-6508 to arrange for the truck to be dropped off.

Residents may still place smaller amounts of brush, tied in twine, and cut into 4 foot lengths on the curb for free pick up. Small branch, twig and brush pick up at the curb occurs every Monday morning.

The Village will provide the FREE service of delivering bulk mulch, gravel or limestone to residents if they make arrangements and payment with Hafner & Sons or Evans Landscaping ahead of time. We can also pick up larger trees at a nursery and have it delivered to your home. Again, contact 527-6508 for more information or to make this arrangement.

A general reminder for the winter months: turn off the valve for any outside water faucets. Remove your hose from the hose bib to prevent any remaining water in the hose from freezing around the bib.
