FAIRFAX INCOME TAX FILING DEADLINE

JULY 15, 2020

All residents and businesses are required to file their 2019 income tax with the Village of Fairfax by July 15, 2020. Please contact Tax Clerk Amanda Jostworth at 513-527-6506 or ajostworth@fairfaxoh.org if you have any questions or need assistance with filing. Due to COVID-19 we would like to avoid in-person tax filing as much as possible. Amanda is still available to assist in the preparation of residential tax forms for anyone needing assistance. Tax forms, W2's and other tax documents can continue to be placed in the secure drop box available outside of the front doors of the municipal building. Or, forms can be personally handed in to the police department during regular business hours – 9:00 AM – 5:00 PM Monday-Friday. Please place your forms in a sealed envelope with you name and address.

Non-emergency issues with the police department or citation payouts can be made in person at the Fairfax Police station. The police department foyer has remained open to the public and payouts can be made with the Police Clerk with social distancing already in place.

For anyone interested in home improvements, please contact Tony Perkins, Zoning Officer at tperkins@fairfaxoh.org or 513-702-9432. You must obtain a zoning certificate for any kind of work you may want to do to your home including fencing, roofing, sheds, adding doors/windows, room additions, and HVAC work to name a few. Most work, except for fencing and small sheds also require a building permit from Hamilton County. Mr. Perkins can assist residents through the process.

For all other business, you may use the drop box in front of the municipal building or contact either the Fiscal Officer at 527-6505 or Administrator at 527-6503 during regular business hours Monday-Friday.

POLICE DEPARTMENT NOTICE - PLEASE BE AWARE

There has been a recent rash of people rummaging through unlocked cars looking for valuables in Fairfax and surrounding communities. Please make sure to lock your vehicles. If you know or suspect items have been taken from your vehicle, please contact the Fairfax Police Department at 513-271-7250.

REMINDER – FALL FESTIVAL CANCELLED FOR 2020 – GOLF OUTING DATE HAS BEEN SET

As many of you know, this event requires months of pre-planning which was not able to be done during this pandemic. The Ohio Medical Director has also not permitted festivals and other events to occur this year. We look forward to planning this event again for 2021 and we appreciate your understanding.

The Village, along with the Mariemont Kiwanis organization, will host the annual Ted Shannon Memorial Golf Outing on Sunday September 27, 2020. This event has been rescheduled from May. Golfing is an allowable activity and teams of 4 can be formed. Or, if you are a single golfer, you may still sign up and we can place you on a team. Please contact the Village Administrator at jkaminer@fairfaxoh.org for more information or to register. Cost is \$65 per player and includes 2 golf carts for your team of four. The event will be held at California Woods Golf course. Monies raised from the event will go to support Village recreation events as well as the Kiwanis scholarship program for graduating seniors of Mariemont High School. This scholarship has directly benefited many Fairfax residents over the years and the Village greatly appreciates the partnership we have made with such a worthwhile organization.

COMMUNITY HANDBOOKS

In June, along with the delivery of the June Fairfax Forum, each resident should have received a copy of the newest Village of Fairfax Community handbook. If you did not receive a copy of this handbook, please contact the Administrator at jkaminer@fairfaxoh.org to request one. Contact information, common rules and regulations of the Village and information about various groups, organizations and activities available to Village residents are contained in the handbook.

2020 RESIDENTIAL STREET PROGRAM

The JK Meurer Construction Company has been awarded the contract for the 2020 residential street construction project. This work will begin shortly after July 4, 2020. Streets that will have road and/or curb replacement: Arrow Point Way, Eleanor Street, and the dead-end portion of High Street. The intersection of Wooster Road/Red Bank Road will also receive asphalt repairs and new striping. Notices to residents have been provided, but more specific notices will be given out by the contractor. If you are a resident on any of these streets, please be aware that no parking signs during construction will be posted. Please make plans now on where to store your vehicle if you cannot place it in a driveway.
