WINTER RECOMMENDATIONS FROM THE FAIRFAX MAINTENANCE DEPARTMENT

Joe Huskey, Maintenance Supervisor 513-527-6508

A reminder for any residents that have not done so already – when you turn your water off to your outside water spigots, remember to remove your hoses as well. Freezing water that is in the hose line can cause issues to your home. As you remove the leaves from your yard, remember to check your gutters for clogged leaves one last time as well so that freezing water that could damage your gutters and downspouts does not get stuck in them.

We kindly ask that all residents please park in their driveways and keep as many cars off the streets as possible when snow is predicted. This makes snow removal much more efficient and thorough and keeps your cars safe from the large trucks with snow plows coming down the street. Your cooperation is greatly appreciated and will result in well-plowed and treated streets.

Live Christmas trees can be placed on the curb and will be picked up by the Maintenance Department Monday through Friday until mid-January.

CHRIST HOSPITAL.

Daniel Brackett -Fairfax resident and Life Scout with Troop 149, built a flag retirement box for his Eagle Scout project.

The box can be found in the municipal building in Fairfax (5903 Hawthorne Ave); in the front lobby to left of the interior police station door.

If you have a worn and used American flag, you can drop it off to the municipal building and Troop 149 will ensure that it is retired properly.

Thank you Daniel for your gift to the community and your dedication to your Troop!
